SECTION 1 INTERPRETATION AND ADMINISTRATION

1.1 TITLE

This By-law shall be known as the “New Comprehensive By-Law” of the Corporation of the Township of Dawson.

1.2 APPLICATION

The provisions of this By-law shall apply to all lands within the boundaries of the Township as now or hereafter are legally constituted.

1.3 SCOPE

No lands shall be used and no buildings or structures shall be erected, altered, enlarged, or used within the Township of Dawson except in compliance with the provisions of this By-law.

1.4 MINIMUM REQUIREMENTS

In interpreting and applying the provisions of this By-Law, they are held to be the minimum requirements for the promotion of health, safety, comfort, convenience, and general welfare of the inhabitants of the Township.

1.5 INTERPRETATION OF BY-LAW

1.5.1 DEFINITIONS

In this By-law, unless the context requires otherwise, the definitions set out in Section 2 shall apply. Where a term is not defined, its common usage shall apply.

1.5.2 NUMBER AND GENDER

In this By-law, unless the contrary intention is indicated, words used in the singular shall include the plural and words used in the male gender shall include the female gender and vice versa.

1.5.3 MEANING OF USE

Unless the context otherwise requires, the expressions "use" or "to use" in this By-law include anything done or permitted by the owner or occupant of any land or buildings, directly or indirectly or by or through any trustee, tenant, servant, or agent, acting for, or with the knowledge or consent of such owner or occupant, for the purpose of making use of the said land or building.

1.5.4 MEANING OF SHALL

In this By-law, the word “shall” shall always be construed as mandatory.

1.5.5 MEASUREMENTS

Measurements of length and area used in this By-law are given in metric units (e.g. metres, hectares).

1.5.6 PRIMARY ZONES

Primary zones are the basic structural unit of this Zoning By-law and identify a land use category with

permitted uses and regulations. Primary zones are indicated by a set of symbols, for example R1 represents the Residential 1 (R1) Zone in this By-law.

1.5.7 EXCEPTION ZONES AND TEMPORARY USE BY-LAWS

Where a zone classification is followed by a dash and a number (e.g. RU-1), this denotes an Exception Zone. Lands so zoned shall be subject to all of the provisions of the zone represented by the classification except as otherwise provided by the Exception provisions, which are listed as separate subsections within the parent zone.

In some cases, temporary use by-laws have been passed by the Township to allow temporary uses pursuant to Section 39 of the *Planning Act*, R.S.O. 1990, C.P. 13. Temporary uses are shown on the zoning schedules as exceptions and details concerning the temporary use are included in the exception text within the specific zone category.

1.5.8 HOLDING ZONES

1. Holding zones are created by adding a capital H in brackets – (H) – to the zone code on the Zoning Schedules. This has for effect of allowing the uses set out in the corresponding text of the by-law at some time in the future. A Holding symbol is removed once specified conditions, which are identified in the exception provisions, are met (e.g. such as conditions related to environmental, transportation, servicing matters), in accordance with Section 36 of the *Planning Act*, as amended.

2. No land shall be used in a Holding Zone (H), except for the following purposes:

- Accessory Uses
- Existing Uses

1.6 USE OF ZONE SYMBOLS

The symbols listed shall be used to refer to land, buildings and structures and uses thereof permitted by this By-law in the said zones, and wherever in this By-law the word “Zone” is used preceded by any of the said symbols, such zones shall mean any area within the Township of Dawson delineated on the Zoning Schedules and designated therein by the said symbol.

1.7 INTERPRETATION OF ZONE BOUNDARIES

Where any uncertainty exists as to the location of the boundary of any of the said zones, as shown on the Zoning Schedules, the following shall apply:

- a. Unless otherwise shown, the boundary of the zones as shown on the Zoning Schedules and the centre lines of the road allowance or lot lines and the projection thereof;
- b. Where zone boundaries are indicated as approximately following lot lines shown on a plan of subdivision, such lot lines shall be deemed to be the said boundary;
- c. Where zone boundaries are indicated as approximately parallel to the line of any road and the distance from such road and the distance therefrom shall be determined by the use of the scale shown on the Zoning Schedules;
- d. Unless otherwise indicated, a road, lane, railroad, or railway right-of-way or watercourse included on

the Zoning Schedules, is included within the zone of adjoining property on either side thereof; and where such road, lane, right-of-way or watercourse serves as a boundary between two or more different zones, a line midway in such road, lane, right-of-way or watercourse extending in the general direction of the long division thereof is considered the boundary between zones, unless specifically indicated otherwise;

e. In the event of a dedicated road, lane, or right-of-way shown on the zone maps is closed, the property formerly in said road lane or right-of-way shall be included within the zone of the adjoining property or either side of the said closed road lane right-of-way and the zone boundary shall be the former centre line of the closed road, lane or right-of-way;

f. Where any zone boundary is left uncertain after application of the preceding provisions, then the boundary line shall be determined according to scale on the Zoning Schedules in the office of the Chief Building Official; and

g. Wherever it occurs, the limit of the Township of Dawson is the boundary of the zone adjacent to it.

1.8 CONFLICT

In the event of a conflict between this By-law and amendments thereto and any other general or special by-law of the Township, the most restrictive By-law shall prevail.

1.9 STRUCTURE

This Zoning By-law is composed of seventeen (17) Sections:

that any of the said By-laws prohibits the use of any land, building or structure for a purpose that is also prohibited by this By-law.
